## **WILL GOD SAVE AMERICA NOW THAT AMERICANS NO LONGER TRUST GOD?**

Did you know that “In God We Trust” on the dollar bill is an inch to the left of the symbol of God on America’s national insignia? When the stars over the eagle’s head are connected, they form the Star of David. The founders used the Star of David/Son of David symbol to represent Jesus, who the founders believed was the “Son of David” Jewish Messiah. Jesus is America’s God. More on this later.

Last month, America celebrated its 246<sup>th</sup> birthday while many Americans wondered how much longer the United States can survive the Biden blitzkrieg? In the background are two giant historical happenings: (1) America no longer trusts God and (2) the Republican Party representing the God-fearing, sane half of America looks like it has been shot with a tranquilizer dart. Americans are in a state of terror wondering why nobody is trying to stop this slow-motion strangling of History’s Great Nation?

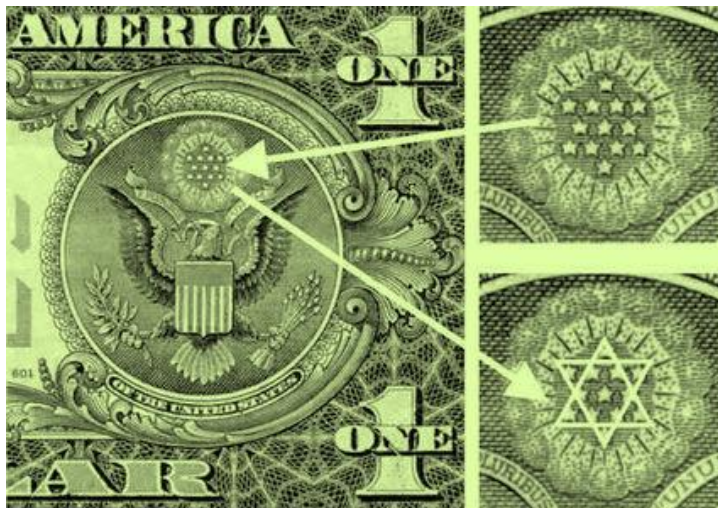

As we will see, perhaps the problem is not Biden, the Death-to-America Democrat Party, or even China. Could the problem behind the problem be the abandonment of trust in God and the near dead state of American Bible belief – which has been the spiritual engine of America from the Revolution to the turn of the 21<sup>st</sup> century?

## **EVANGELICAL LEADERS DECLARE “AMERICA IS NOT IN THE BIBLE”**

Perhaps nowhere is the collapse of American evangelicalism more obvious and troubling than in the upper echelon of the evangelical high rise. Ever since 9/11, the fraternity of evangelical broadcast celebrities has been loudly and ignorantly misleading and confusing American Bible believers about America and the Bible. Like a false prophet chorus, TV and radio evangelists, with the beloved and respected David Jeremiah leading the pack, have been mistakenly and repeatedly shouting from the rooftops that, “America is not in the Bible.” Equally nonsensical, Christian Coalition leader Ralph Reed and many evangelical pastors have declared that America isn’t even a Christian country. Really? Don’t most Americans identify on polls as “Christian” and aren’t almost all America’s holidays Christian? And hasn’t America had an international reputation as the most biblically Christian nation of the modern world?

## **AMERICA’S NATIONAL INSIGNIA ON YOUR DOLLAR BILL SAYS AMERICA IS CHRIST’S NATION**

When the stars above the eagle's head are connected, the Star of David appears. The founders intended the Star of David symbol to represent Jesus, who they believed was the fulfillment of the Old Testament prophecies of the Jewish Messiah. Although this has been hidden, the Star of David, a.k.a., "the Jewish Star," signifies the Jewish Messiah. It means the same thing on the banner of re-born Israel – "the Son of David" – that it does on America's national insignia. The difference is that America's founders believed Jesus is the fulfillment of the Old Testament prophecies of the Messiah while the Jewish people believe their Messiah is still to come. The founders of the re-born state of Israel were aware of this and are probably quite annoyed at America for borrowing their symbol for more than a century-and-a-half before they put the Star of David on their flag. The enduring Jewish belief in a coming Messiah is pictured in the empty seat with a cup of wine at the annual Passover celebration.

Four years ago, Last Days Beacon newsletters revealed the hidden fact that the Great Seal of the United States of America says in symbolic language that America is "Christ's Nation" and that Jesus is America's spiritual king. On both America's Great Seal and on Israel's flag, The Star of David symbolizes the Jewish Messiah.

**This is all explained in detail in the October and November 2018 Last Days Beacon newsletter. Copies are available at [www.swpm.us](http://www.swpm.us).**

## AMERICA AND ISRAEL SHARE THE SAME MESSIANIC SYMBOL

The fact that both History's Great Nation and the Land of the Bible (re-born Israel) share the same messianic symbol is a very important historic, biblical and geopolitical fact.

The Star of David on America's national insignia and on the flag of resurrected Israel links the two nations in a familial, biblical bond. What the world sees as "the Jewish star," the symbol of Judaism, represents the centuries-old belief of God's Chosen People that the real Messiah is still coming.

## **AMERICA'S REVOLUTION CONGRESS WAS THE ORIGINAL "RELIGIOUS RIGHT"**

Hidden from Americans is the plain fact that America's Revolution Congress was the original "religious right." Contrary to the pronouncements of today's evangelical leaders, America's founders believed America was not only "in the Bible," but that America is the fulfillment, the outworking, of last days prophecies. That is the reason they presented the new nation to the 1784 Paris Peace Treaty meeting as the outworking of Daniel's Fifth Empire and the beginning of Christ's Millennium. Those at the Paris meeting understood well what now sounds like fundamentalist craziness to Americans.

## **THE MEDIA-EDUCATION COMPLEX HAS HIDDEN ALL THIS**

Why does all this sound stone cold crazy? Because the century-old socialistic Mass Media has deliberately made it sound like ridiculous lunacy. And this is a testimony to the raw mind control power of the Mass Mediums. Together with the socialistic education complex, the Media have stereophonically indoctrinated Americans to believe that truth is lies and lies are the truth. The sad fact of America 2022 is that at least half of America is so gullible they are imprisoned in the dark web of the Media's soul prison where reality is turned upside down. Even the condition of American Bible-believers – the spiritual heart of the American Revolution – is so diminished from the mind of America's Revolution Congress that it looks like the proverbial 98-pound weakling. Is this the reason the diabolical Democrat Party now acts like a schoolyard bully humiliating and wiping the floor with Bible believers, Republicans and conservatives?

## **TWO ACTS OF GOD – DONALD TRUMP'S MIRACULOUS ELECTION – AND HIS "MIRACULOUSLY" STOLEN SECOND TERM**

The conservative movement that began with the 1976 birth of the Religious Right and the election of Ronald Reagan died in November 2020 when China elected Joe Biden president. Many evangelicals believed that it was, as they say in the insurance industry, "an act of God" that put Donald Trump in the Oval Office. But today, they are unwilling to believe that it was an act of God that permitted Trump's re-election to be stolen.

Why would God miraculously give Trump and then, equally, miraculously give us Biden? The Bible provides the answer. God solemnly promises to protect his people until they rebel against him. At that point God disciplines his people by allowing a trainload of misery that begins with harassment and poverty and concludes with defeat and eviction. God's Chosen People were evicted from the Promised Land twice – in 586 BC and AD 70 for rebellion against him. Does this raise the possibility that Americans will be evicted from "Christ's Nation," the modern Promised Land?

This is one of the big pictures of the Bible that Americans knew for most of American history. But today, polls show that the vast majority of Americans don't know the Bible and even among evangelicals, less than one in ten actually read it. Fewer still hold a biblical worldview in how they think and act. What was for much of American history one of the best-known lines of the Bible – *a nation perishes for lack of knowledge* (Hosea 4:6) – is forgotten today because America doesn't read the Bible and it no longer trusts God. Tragically, America is suffering from a “lack of knowledge” today – the knowledge that God is the father of America and the United States was founded as Christ's Nation.

Billy Graham, “America's Pastor” for a half century, once quipped that if God doesn't judge America he'll have to apologize to Sodom and Gomorrah. This was decades before the powerful Sodom Agenda began dominating American law and culture. The question before America now is – is the Biden war on America the agent of God's curse, in the words of Rev. Wright, is God “damning” America – for rebellion against him?

### **BIDEN'S BLITZKRIEG BEGAN ON THE 160<sup>TH</sup> ANNIVERSARY OF THE DEMOCRAT-CONFEDERATE WAR AGAINST AMERICA, A.K.A. “THE CIVIL WAR”**

**The Confederate battle flag carries the historic X” shorthand (e.g., “Xmas”) for Jesus the Messiah.**

Anniversaries are interesting because of all of the ironies and coincidences they contain. Biden's presidency – which started a stealth war against America – began on the 160<sup>th</sup> anniversary (1861-2021) of the Democrat-Confederate war against the United States, a.k.a., “The Civil War.” Equally significant is the birth year of the Religious Right that morphed into the largest voting bloc in America's electorate and dramatically changed American politics. It started in the 1976 “Bicentennial” year, the 200<sup>th</sup> birthday of the Declaration of Independence. This new, giant voting bloc brought the landslide election of Ronald Reagan whose presidency drove back the poisonous doctrines of the New Deal and concluded with the defeat of the Soviet Union and the end of the Cold War.

“Coincidentally,” Trump was elected on the 240<sup>th</sup> anniversary of the Declaration of Independence (1776 – 2016). And, then – his presidency began on the 500<sup>th</sup> anniversary of the Reformation (1517 – 2017). Why is this significant? America acquired an international personality as the Reformation Nation, the most Bible-shaped place in the modern world. But in 2017, the year Trump's presidency began, Americans weren't reading the Bible anymore. Pollster George Gallup called Americans “Bible illiterates.”

Ann Coulter accurately read the conservative/evangelical mind with the publication of a book titled, “In Trump We Trust.” The national motto, “In God We Trust” was not just demoted, but re-assigned to the attic as an antique relic. America quietly abandoned “In God We Trust” and the question now is – has God abandoned America and empowered China and Biden?

## **MASTERFUL AS HE IS, DONALD TRUMP IS SIMPLY UNABLE TO WIN THE NEW COLD WAR THAT STARTED WITH THE 2020 RIGGED ELECTION**

The conservative movement is looking for the return of the savior. The secular half is anxiously awaiting the return of the conservative man of steel, Donald Trump. However, many of those in the evangelical half of conservatism are looking for the return of Jesus the Savior – America’s spiritual king. Those Americans with eyes to see and ears to hear understand that America is facing an anti-Christ Goliath like never before and that only God has the ability to win the new Cold War now menacing America. America’s new enemy is mammoth, diverse, foreign and domestic. The major foreigners are anti-Christian-and-anti-Christ China, Russia and Islam (which declared war on America in 2001). Their *Death-to-America* allies comprise at least a third of America’s population.

The Enemy-Within-Kill-America roster is a full congregation of treason: America’s oldest political party (the Democrats), the Media-Education Complex, American socialist-communists, the homosexual revolutionaries, Biden-voting liberals, gung-ho feminists and a large swath of the Millennial generation. This doesn’t include stealth players like the United Nations, the European Union and smaller America-hating nations like Cuba and North Korea.

And let’s not forget the tens of millions of Criminal Invaders who despise Americans. Anyone doing the political math here can see America is now in an unprecedented apocalyptic scenario against an enormous, octopus-like anti-Christ monster. Reasonable people know that only the God who created History’s Great Nation has the supernatural power to defeat this Anti-Christ Behemoth. The question is – will God act on behalf of a nation that has left him for “The Donald”?

## **“IN GOD WE TRUST” IS A FOUNDATIONAL AMERICAN DOCTRINE**

*The jarring “Is God Dead?” Easter (April 8, 1966) Time Magazine cover shocked a God-fearing America. However, we wonder if trust in God is dead today in the wimpy state of American Bible-belief.*

For most of America's history, most Americans trusted, relied on and prayed to God. That type of an American is today a minority. But the fact is – trust in God is more American than Mom and Apple Pie. The American Revolution "religious right" congress makes today's Religious Right look like Unitarians. America's trust in the God of the Bible as America's King and Protector began with the last sentence of the Declaration of Independence. "And for the support of this Declaration, with a firm reliance {trust} on the protection of divine Providence {God}, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor {"sacred Honor" is code for "true Christians"}.

## **THE NATIONAL ANTHEM PROPOSED "IN GOD WE TRUST" AS THE NATIONAL MOTTO 210 YEARS AGO**

Thirty-some years after the Declaration "in God we trust" conclusion, *The Star-Spangled Banner* proposed making "In God our Trust" the national motto. The last stanza begins – you know, the part we never sing at baseball games – with these words, "And {let} this be our motto: 'In God is our trust.'"

### **"IN GOD WE TRUST" WAS FIRST PUT ON COINS DURING THE CIVIL WAR**

In 1864, as the Civil war had levied a horrifying price in American lives and looked like it would never end, "In God We Trust" was not yet the national motto, but it was an enduring American belief, especially during war time. A few months after Lincoln's Gettysburg Address, "In God We Trust" was put on American coins.

### **EIGHT YEARS AFTER WORLD WAR II ENDED, "IN GOD WE TRUST" WAS UNANIMOUSLY ENACTED AS THE NEW NATIONAL MOTTO**

In stark contrast to today, the United States was almost completely united after World War II. Who can believe today that the vote in both houses of congress, Democrats and Republicans, to make "In God We Trust" the national motto was unanimous? A few years later this new motto was put on American currency. Let's pause for a moment to acknowledge that this "God Trust" move was a brazen violation of the Separation of Church and State misinterpretation of the Constitution eight years earlier.

### **THE NATIONAL MOTTO IS "IN THE BIBLE."**

"In God we trust" is a paraphrase of the central verse of the Bible – Psalm 118:8. It warns God's people to trust God and not leaders. The motto was put on American money to warn against trusting money. What does this say about the conservative trust in a *Mammon man*?

This ironic disparity shows how divided American government, culture and the American people were from the communism-sympathetic FDR Supreme Court in the mid-1950s. Why describe the high court as "communism-sympathetic?" The words "Separation of church and state" were borrowed from the atheistic Soviet Constitution and pasted over the words of the First Amendment to America's Constitution, which merely bans a legally

established national church. Historically, separation of church and state is a European socialist-communist doctrine that began with the atheistic French Revolution and was later adopted by the Bolsheviks and the Soviet Union.

## **THE ABANDONMENT OF TRUST IN GOD IS A SEISMIC SHIFT IN AMERICAN HISTORY, THAT IS ACCOMPANIED BY A HORRIFYING NATIONAL PLUMMET**

The American doctrine of trusting, respecting and honoring the God of the Bible, the supernatural Creator of history's supernatural nation – a belief and practice that sustained and nurtured America for nearly a quarter of a millennium is in spiritual hospice now. And so - does God's Word have any advice on how to stop History's Great Nation from collapsing?

### **WHAT DOES THE BIBLE SAY ABOUT THE 2022 CRISIS?**

America has followed the downward track of ancient Israel that got the Chosen People evicted from Israel twice. The century-old Culture War – a war against American Christians, Jesus, God and the Bible – has been so successful that it has now reached a High Noon showdown. The Millennial generation is the most atheistic, Bible-phobic, socialistic generation in American history and their beliefs are tipping the scales of the Culture War in favor of atheism and communism. America is no longer spiritually governed by Jesus, the officially established king of America, on the Great Seal.

### **REPENTANCE AND ONE LAST GREAT REVIVAL OF FAITH IN AMERICA'S SPIRITUAL KING, JESUS THE MESSIAH IS THE SALVATION SOLUTION**

The Bible has very specific advice on what to do in this American meltdown. Let's go to God's prophets who issued warnings and advice to Israel in a situation like America is now in. Stop rebelling against God, come before Him in repentance and He will have mercy on the repentant and stop calamity. Only a national outpouring of repentance and asking God for forgiveness for the full color, blaring circus of sin and depravity that has made America a modern version of Sodom and Gomorrah are the means to avert disaster. Only a final Great Awakening of faith in America's spiritual king, Jesus the Messiah, on the Great Seal on the dollar bill can stop the wholesale slaughtering of History's Great Nation.

The conservative-evangelical hope for a Republican rout in November is less than rational in light of the fact that Republican representatives have been like a deer caught in the headlights, an anesthetized drunk in a Lazyboy recliner. With friends like Republican leader Mitch McConnell, who has a close relationship with China, who needs enemies?

If God has permitted the Biden revolution against America, then only God can stop it. But unless Christians get out of the recliner and start a national repentance campaign – and acknowledge the fact that America was indeed founded by God as Christ's Nation – the nosedive will continue. Without a coast-to-coast Repentance movement and an accompanying Great Revival of Faith in America's spiritual king (Jesus), a divine eviction notice will be served and America will go the way of ancient Israel.

God, save America; God, have mercy on Americans.
