SCARING YOU TO DEATH

GOVERNMENT TACTICS TO ENSURE COMPLIANCE

By Dr. David Schnittger

The whole aim of practical politics is to keep the populace alarmed (and hence clamorous to be led to safety) by menacing it with an endless series of hobgoblins, all of them imaginary.

H. L. Mencken (1918)

I have been blessed to live in America for the entirety of my nearly 70 years. I believe America to be history's great nation. It is the only nation who's founding document proclaims ". . . that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed" (Declaration of Independence, 1776).

How then, does a government succeed, over time, in eroding these God-given rights? One strategy is by constructing “an endless series of hobgoblins” that will stampede the citizenry into liberty-destroying concessions to government control. This article will chronicle some of the hobgoblins that have been created and paraded before the American populace just in my lifetime. Then I will share what the intended end-game of this charade is leading, and how to resist being “scared to death”.

THE COLD WAR

I grew up in the Midwest during the 1950s and 1960s when “the Cold War” was in full swing. I remember nuclear war drills in elementary school when we crouched down under our desks to “protect” us from Soviet atomic bombs that would be exploding overhead any minute. I remember when terrified citizens would build bomb shelters in their backyards to protect them from the impending apocalypse. I remember the ominous “Doomsday Clock” that would monitor tensions between the West and the Soviet menace, and the horrifying alarm that spread throughout America when events like the Cuban missile crisis would move the terrifying nuclear Doomsday Clock dangerously toward midnight.

The members of the Bulletin of the Atomic Scientists created the clock in 1947, two years after the organization was established by University of Chicago scientists who helped create the first nuclear weapons in the Manhattan Project. The organization’s formation was a response to the first-ever atomic bombings launched by the U.S. at the end of World War II.

“Dr. Rachel Bronson, President and CEO of the Bulletin of the Atomic Scientists said recently that the nonprofit organization has been calculating the Doomsday Clock for 75 years to represent ‘the judgment of leading science and security experts about the threat to human existence with a focus on manmade threats, nuclear risk, climate change, and new disruptive technologies.’

“The Doomsday Clock is holding steady at 100 seconds to midnight, Sharon Squassoni, co-chair of the Bulletin’s Science and Security Board, added. ‘But steady is not good news. In fact, it reflects the judgment of the board that we are stuck in a perilous moment; one that brings neither stability or security’ (www.msn.com, January 20, 2022).

In the late 1990s, following the collapse of the Soviet Union, American military budgets became perilously close to shrinking. Some even contemplated that foreign military bases might also be closed. The military industrial complex was about to take an economic hit if swift action was not taken! It was time to invent a new hobgoblin - the war on terror.

THE WAR ON TERROR

The Project for the New American Century, established in 1997, was the neoconservative think tank whose stated goal was to usher in a “new American century.” Having won the cold war and with no military threat to speak of, this group of ideologues (including Dick Cheney, Henry Kissinger, Bill Kristol, Don Rumsfeld and Paul Wolfowitz) created a blueprint for the future whose agenda was to capitalize on our surplus of military forces and funds to force American hegemony throughout the world. According to their own document, *Rebuilding America’s Defenses*, (September, 2000) their own stated goals would never be realized “absent some catastrophic catalyzing event - like a new Pearl Harbor” www.oldamericancentury.org/pnac.htm. p. 63.

On September 11, 2001, after the 911 attacks, President George W. Bush proclaimed, “We have just experienced a new Pearl Harbor attack.” Given that the tragic events of September 11, 2001 provided precisely the desired “new Pearl Harbor” event, it sparked a massive military build-up, accompanied by the “war on terrorism” that transformed - through neo-conservative influence - into an imperial war, first targeting Afghanistan, then Iraq and thence the rest of the Arab and Muslim world.

On the domestic front, shortly after the September 11 attacks, Congress passed The Patriot Act, the most liberty-destroying legislation in American history. This legislation created the NSA to surveil Americans without a warrant and the TSA to grope and irradiate Americans at airports. All, of course, “to keep us safe.”

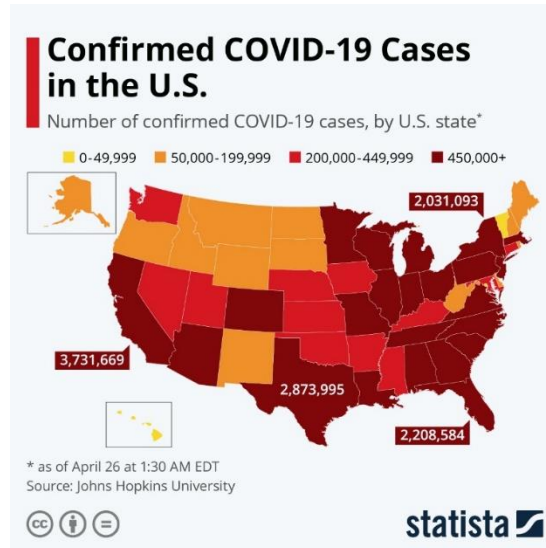

This new deep state hobgoblin of “the war on terror” was also continually reinforced with a new visual aid: the war on terror chart. In March 2002, the Bush administration instituted a color-coded terrorism threat advisory scale designed to indicate the terrorism “threat level.” This presumably allowed the public to gauge just how much they should be living in fear of terrorism at any given time. As propaganda it was helpful as a means of constantly reminding the public that the government keeps them safe, and that an all-powerful national security state is a necessity. Perhaps all of these “terrorist protocols” were mere “dog-training” to prepare us to submit to the next hobgoblin.

THE INVISIBLE WAR: COVID-19 PLANDEMIC

In February 2020, at the peak of the Trump-led prosperity, the Chinese Communist Party virus hit America's shores. Immediately, the legacy media and the globalist medical infrastructure (NIH, WHO, CDC, NIAID) launched the latest Deep State terror campaign. This time the "hobgoblin" was the most terrifying of all - an invisible enemy!

Almost as if in lockstep, the governments of the world instituted "covid protocols" such as lockdowns, social distancing and mask mandates. Schools, churches and businesses closed, economies collapsed and many people went into a state of abject terror. This new "hobgoblin" also came with an array of visual aids, such as ubiquitous TV maps with case and death totals.

Governments are now admitting that they conducted "terror campaigns" to induce compliance with covid protocols. *The London Telegraph* quotes a government scientific advisory group "... briefing from March 2020, as the first lockdown was decreed, that stated the government should drastically increase 'the perceived level of personal threat' that the virus poses because 'a substantial number of people do not feel sufficiently personally threatened. . . There were discussions about fear being needed to encourage compliance, and decisions were made about how to ramp up the fear'" (*The London Telegraph*, May 14, 2021).

This terror campaign was astonishingly effective. I observed people alone in their cars with masks on. I saw masked loners avoiding others in public parks. I even saw helmetless motorcyclists roaring down highways with their masks on. As a committed "non-masker" I was kicked out of restaurants and screamed at by hysterical "Karens." This is what Robert Malone has labeled, "mass formation psychosis."

Contrary to popular opinion, Covid-19 is not a pandemic; it is a *plandemic*. While this *plandemic* took most of the world's citizens by surprise, it did not surprise the global elites who had "war gamed" this scenario many years before. In May of 2010, the Rockefeller Foundation, along with the Global Business Network published, "Scenarios for the Future of Technology and International Development" which used game theory to map out different scenarios that both reduced and enslaved the world's population, all under the guise of helping solve hypotheticals. Let's consider one of their hypothetical scenarios.

In one scenario, called *LOCK STEP*, they set forth one possible scenario:

“During the pandemic, national leaders around the world flexed their authority and imposed airtight rules and restrictions, from the mandatory wearing of face masks to body temperature checks at the entries to communal spaces like train stations and supermarkets. Even after the pandemic faded, this more authoritarian control and oversight of citizens and their activities stuck and even intensified.”

All of these restrictions and punishments set up humanity for the rollout of the “warp speed” panacea: The Covid-19 vaccines. In February, 2021, just a year after the CCP virus invaded America, Big Pharma (Pfizer, Moderna, BioNTech, Johnson & Johnson, AstraZeneca) rolled out their vaccines. Though first proffered as voluntary, the government quickly began requiring them for various jobs (conveniently exempting Congress and Postal Union employees).

As vaccine injuries and deaths began to pile up, at the same time, the mandates and social shaming of the discerning piled up as well. Tyrannical leaders such as Biden, Trudeau and Macron have employed time-tested practices of “othering,” such as was used by Hitler against the Jews.

Creating an enemy of the state requires othering: a process of dehumanizing a group of humans as something different, less than, and other. Such othered groups become an easy target scapegoat, unfairly bearing the blame for a society’s ills. Some of these othering practices include:

1. They create a majority in-group, signaled by use of the first-person plural (we, us), and a minority othered group, signaled by use of the third person plural (they, them).
2. They cast blame for government pandemic policies on that othered group.
3. They use words to signal to the in-group that they should be angry at the othered group.
4. They use labels to devalue this othered group: misogynists, racists, enemies, non-citizens.
5. They question whether and how to eliminate this othered group.

Let’s consider the statements of these tyrants to see how they discredit those who have chosen not to receive the “mystery” (ingredients unknown) gene-altering, spike protein jab.

On September 9, 2021, Joe Biden announced sweeping vaccine mandates. He expressed that “many of us are frustrated” with unvaccinated persons. He laid blame on them for the continued pandemic; Biden claimed that this “pandemic of the unvaccinated” was “caused by . . . nearly 80 million Americans who have failed to get the shot.” He faulted “a distinct minority of Americans” for “keeping us from turning the corner.” And he promised “We cannot allow these actions to stand in the way of protecting the large majority of Americans who have done their part and want to get back to life as normal.”

In a September 17, 2021 article, Canadian Prime Minister Justin Trudeau labeled those opposed to vaccination “misogynists” and “racists.” Then, he exclaimed that Canada needed to make a choice: “Do we tolerate these people?”

In France, President Emmanuel Macron in a January 4, 2022 interview, categorized the unvaccinated as “non-citizens,” referred to their “lies and stupidity” as the “worst enemies” of democracy, and proclaimed, “I really want to piss [the unvaccinated] off.” Macron argued these unvaccinated persons to be only a “very small minority who are resisting,” and asked a chilling question: “How do we reduce that minority?”

This type of language is reminiscent of what public health officials in Nazi-occupied Poland did, playing on the primal human fear of disease. Propaganda posters proclaimed “Jews are Lice: They Cause Typhus.”

Totalitarian leaders often create “enemies of the state” to blame for things that go wrong. Frequently these enemies are members of disapproved political, religious or ethnic groups. These groups are often subjected to campaigns of terror and violence. They may be forced to live in certain areas or are subjected to rules that apply only to them. I need only to point you to the “Quarantine Camps” in Australia where the unvaccinated are being imprisoned as an example.

The statements by these globalist bureaucrats is not mere political rhetoric or empty bluster. It is the kind of language that yielded chattel slavery, the gulag, the Holocaust, Jim Crow, Rwanda. This dangerous othering language must be recognized and **condemned**.

WHERE DO WE GO FROM HERE?

The Covid-19 *plandemic* has been very successful for the globalists in America. It allowed them to crash our economy, steal the presidency and murder over a million Americans. It allowed them to scare and intimidate over 240 million Americans into taking a job with unknown ingredients, but known results.

Vaccine deaths and injuries are skyrocketing. Life Insurance companies are going broke with all the vaccine deaths! Heart attacks, cancer, blindness and miscarriages are going through the roof. Everyone knows someone who has been killed or grievously injured from the job, yet the government, Big Pharma, the legacy media and Big Tech continue to push the job, even on our children.

As the dead bodies continue to pile up, the CDC is now pushing to require the job for children five years and up. No longer is it necessary to force people into boxcars for their rendezvous with the Holocaust. All you have to do is *scare people to death* and they will line up at the CVS for their deadly job! I have confronted pharmacists at CVS who admit that the “vaccine” is killing people but yet they continue to job people because “it’s their job.”

What is the end-game of this *plandemic*? First, it is to sustain a regime of constant medical emergencies. Mandate maximalists have already suggested that mask mandates and social distancing might be necessary *forever* as a flu preventative. This sets the stage for keeping mask mandates forever while also setting up the flu as a justification for a perennial health emergency.

Second, the big goal of the *plandemic* is population reduction. This is to be accomplished by vaccine deaths, collapsed economies and food shortages. We have only begun to see this play out across the world! I believe we are in the early stages of the worst holocaust in world history! The only way this stops is when WE ALL SAY “NO”!

Robert F. Kennedy Jr. has emerged, during this global holocaust, to be a champion for liberty and humanity. Heed his words: “Every power that government acquires using this pandemic as a pretense, it will ultimately abuse to the maximum effect possible. And this is just a rule that is certain as gravity. Nobody has ever complied their way out of totalitarianism. Every time you comply, the demands will get greater and greater. We need to resolve here and now, ‘This is the hill that we need to die on.’ They have come for our jobs. They have come for our transport. Now they are coming for our children, and we have an obligation as parents to protect them.”

We need to recognize that the fear of death, which is the catalyst for the encroaching government tyrannies described in this article, is a spiritual issue. Fear of death is a tool of the devil to hold people hostage. We read in Hebrews 2:14, 15, "Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil; And deliver them who through *fear of death were all their lifetime subject to bondage.*"

If you are a child of God through faith in Jesus Christ, you do not need to fear death! You do not need to cower in your home, afraid to go outside without your mask. You do not need to stay away from church, fearing the "Fauci flu." As Paul said, "For God hath not give us the spirit of fear; but of power, and of love, and of a sound mind." Do not fall for the devil's wiles at SCARING YOU TO DEATH!
