WHY AMERICA IS CRASHING – AND WHERE THERE IS HOPE

“America is like a healthy body and its resistance [to communism] is threefold; its patriotism, its morality, and its spiritual life. If we can undermine these three areas, America will collapse from within.”

- Joseph Stalin, the second head of the Soviet Union

<p>America is The Messiah's Nation</p> <p>“One nation <u>under</u> God”</p>	 The Great Seal of the United States, featuring an eagle with wings spread, holding an olive branch and arrows, with a shield on its chest. Above the eagle is a constellation of stars and a banner with the motto 'E PLURIBUS UNUM'.	<p>Jesus the Messiah</p> <p>“By His stripes we are healed” Isaiah 53:5</p>
---	---	---

DECODING THE GREAT SEAL OF THE UNITED STATES OF AMERICA – America’s founders designed the Great Seal of the United States from the colonial belief that America is the outworking of last days Bible prophecies – in particular, Daniel’s Fifth Empire – the “Stone Mountain.” America’s Flag symbols were incorporated into the Great Seal – the stars over the eagle’s head and the stripes on the shield. For documentation of the meaning of the Great Seal and flag see *Last Days Beacons* – swpm.org – the November 2018 “AMERICA IS FORECAST IN BIBLE PROPHECY” and the July 2022 “THE HIDDEN MEANING OF AMERICA’S FLAG FINALLY REVEALED.”

(c) Paul-Warren Dinger, founding editor, The Boston Review of the arts

America is in a steep nosedive because the 1925 Russian Communist plan to destroy America by squashing America’s foundational Bible beliefs has worked. The Soviet plan that began with the 1925 Scopes Trial hoax – that started the “Culture War” against American Bible belief – has accomplished its purpose. And unless evangelicals wake up, America may be in its last days. Ironically, the Soviet plan succeeded 30-some years after the Soviet Union collapsed. Now, China, the Soviet’s political child has picked up where Russia left off and plans to finish the job. And – as we shall see, in a big example of history repeating itself – most of America has become disabled – blind, deaf, and dumb.

THE COMMUNIST PLAN TO DESTROY AMERICA HAS WORKED WELL

As the Stalin quote at the top of the previous page reveals, Russian Communist leaders Lenin and Stalin, from the very beginning, understood that to conquer the world they had to first defeat their major obstacle, America, “Christ’s Nation.” To do that they had to destroy America’s mighty power, which they correctly understood came from America’s spiritual relationship with the God who created America and supplied the *dynamic electricity* for history’s most *supernatural* nation. China’s president plans to squash History’s Great Nation using the empty-suit-sock-puppet president of the United States. President Biden has administered China’s kill-America-plan with breathtaking speed.

2024 is the 100th anniversary of the American Civil Liberties Union (ACLU) planning of the Scopes Trial hoax. The ACLU was documented by several investigations as a Soviet-funded agent. The Scopes Trial jump-started the Culture War against America’s historic beliefs in the fundamental doctrines of the Bible. The Soviet goal was to mind-control-destroy America’s Bible prophecy beliefs about America’s identity and destiny that were still alive in 1925. The proof of their success is painfully obvious today – nobody remembers the founding fathers’ prophecy beliefs that are embedded in the designs of the Stars and Stripes and the Great Seal. The closet Communist-American-Media cabal has indoctrinated the gullible Millennial generation into becoming American communists. Yes, the Soviet Union is gone, and their plan to kill the United States took a century, but it has finally achieved its goal. America is falling over – like the Soviet Union.

THE COMMUNIST PLOT TIMELINE

(1) The 1925 ACLU Scopes Trial jump-started the Culture War against Bible-reading Christians.

The Mass Media was still in their cradle when they became the character-assassin-hatchet-men for the ACLU. Over the next century, journalists became secret-communist-activists telling America every day that Bible believers were the stupidest people on earth. The Scopes Trial publicly humiliated and character assassinated the 50 percent of America that read and respected the Bible. The next Communist sucker punch came 22 years later when the Supreme Court restricted the “free exercise” of Christianity that the First Amendment to the Constitution guarantees.

(2) In 1947, the President Franklin Roosevelt-organized Supreme Court misinterpreted the First Amendment, falsely ruling that it mandated a separation of church and state.

There are a lot of strange things about this brazen hoax. Significantly, the words, “separation of church and state” were in the Soviet Constitution – not America’s constitution. The US Constitution merely bans the legal “establishment” of a state church, like the Church of England. And – how have Americans forgotten the bizarre fact that Ku Klux Klan leader Hugo Black wrote the 1947 court ruling?

(3) But of all the many strange things about the 1947 decision, the most significant is this. The US Supreme Court was importing the Soviet Separation-of-church-and-state dogma making it a cornerstone of American law just as the Soviet Union was declaring “Cold War” against the US.

How did this atheist doctrine of America’s sworn enemy get into US law just as the Soviets were threatening America with nuclear war? This brash anti-Christian dogma looks like America’s High Court was secretly sneaking a Soviet belief into American law to war against American Christians. This law worked hand-in-glove with the 1925 Scopes Trial whose ACLU-communist purpose was to crush Bible belief about America’s identity and destiny.

A bigger question is – why would the evangelical founders design the only legal symbols of America – the flag and Great Seal – on Bible prophecies and then make the Constitution ban Christianity? The new, unprecedented edict pasted a Soviet doctrine over the first amendment to America’s constitution while radically restricting the part of the amendment that guaranteed the “free expression” of Christianity by banning prayer in schools.

(4) The 1956 authorization of the “In God We Trust” motto and putting it on US currency was a clear violation of and response to the “Separation” decision.

Miraculously, Democrat and Republican lawmakers unanimously endorsed the bill. However, during the 1960s the new “Separation” doctrine was brashly trumpeted by the Democrat Media in the court of public opinion and was adjudicated in courts and legislatures as harshly as in the totalitarian Soviet State. The ruling’s subtext was an obvious communist doctrine – that Christianity is an evil danger to “Democracy.” This “Separation” Big Lie has been overwhelmingly propelled and defended by the Secret-Marxist-Media.

(5) Americans over the last 76 years ignorantly refer to this *Ban-Christianity* ruling with the words from the Soviet constitution, “separation of church and state.”

And let’s not forget that this Soviet dogma is enforced in America as persecutorial as it was in totalitarian Russia – and is now in China. The brazen communist attitude of Democrat Party government and the communist sympathies of young adults today reveal the victory of the Marxist plan to crush America that began with the Scopes Trial a century ago.

WILL AMERICA BE CONQUERED?

If there's not a Revival of Faith in Jesus, America's spiritual King, the answer looks like, "YES." Why are conservatives ignoring the plain fact that President Biden has imported a 2-million-man-Trojan-Horse that is hiding in the shadows of America awaiting the battle call? And who is hiding them? Unless American evangelicals – the spiritual descendants of America's founders – wake up and desperately call on America's God, America may be toast by the end of 2024. The Bible verdict is – America is crashing because of its liberal rebellion against the God who created and empowered America. Evangelicals exchanged trust in God for trust in a smart, accomplished billionaire who promised to "Make America Great Again." The Bible has the solution to America's stumbling-falling problem – repentance and turning back to God.

The Jews' twin apostate rebellions against God destroyed Israel twice – in the 586 BC Babylonian invasion-deportation and the AD 70 Roman eviction. America is repeating Israel's mistakes and experiencing one of history's giant *deja-vus*. One of the Bible's major lessons for America is – rebellion against God and abandoning Him produces disaster. The Bible teaches that it was God who allowed Babylon and Rome to defeat Israel – in response to the Jewish rebellion against their God and protector. And that – is what is happening now in the God-created USA – history repeating itself.

EVANGELICALISM IS SLEEPWALKING BECAUSE AMERICANS DON'T READ THE BIBLE ANYMORE

Pollster George Gallup has called Americans "Bible illiterates." Evangelical pollster George Barna has found that only 9 percent of evangelicals have a biblical view of the world and reality. Because Americans don't read the Bible anymore, they have lost the great lessons it teaches – one of the most important of which is that Apostasy will destroy America. The Media-Education Complex has erased America's Bible prophecy beliefs about America that produced America's Revolution and made America History's Great Nation.

As a result, evangelicalism has "evolved," liberalized, drifted away from the Bible and is now supporting the gay agenda, abortion and challenging authentic Bible truths. Much of the Presbyterian Church that was once the center of American fundamental beliefs about the Bible is now flagrantly anti-Israel, pro-*Eve-ism* and the Sodom agenda. And, as we shall see, most Church leaders today, Catholic and Protestant, deny the Rapture doctrine that began in Genesis was originated by Jesus and detailed by Paul.

APOSTASY AT THE TOP – EVANGELICAL LEADERS HAVE DECLARED "AMERICA IS NOT IN THE BIBLE!"

The most obvious sign of the apostate condition of American evangelicalism may be the elite fraternity of evangelical leaders. Throughout the first quarter of the 21st century, the upper echelon of America's evangelical leadership, the gold standard of evangelical doctrine has been shouting from the rooftops of the Broadcast Media that "AMERICA IS NOT IN THE BIBLE!" If they are right, then

America's founders were wrong when they designed the Stars and Stripes and the Great Seal based on the colonial belief that America is the fulfillment of last day's prophecies.

In the Old Testament, God's prophets blame Israel's leaders for Israel's demise. And in the New Testament, didn't Jesus say the Jerusalem Ruling Class was the devil's agents? Didn't they orchestrate Jesus' execution?

Either America's evangelical leaders are unaware of the giant historical fact that America's founders established the United States on the basis that it was the outworking of Last Days Bible prophecies. Or, they, like liberal scholars, are skeptical of this historical truth and regard it as "myth." Why don't they know that America's national insignia says that the USA is "The Messiah's Nation" and that Jesus is the Spiritual King of America? How can these great teachers be unaware that America's foreign policy has been largely based on the national doctrine that America is the outworking of Daniel's Fifth Empire, the "Stone Mountain" that changes the world?

Let's remember that in both cases of Israel's demise – the Babylonian and Roman eviction – God blamed Israel's spiritual leaders for the Jewish Apostasy and rebellion. Yes – America's Protestant leaders have stopped evangelicalism from dying. However, the fact that (1) the fraternity of evangelical leaders have – like a Greek chorus – become a league of false prophets telling evangelicals that "AMERICA IS NOT IN THE BIBLE!" and (2) that most Protestants reject Jesus and Paul's teaching of the Rapture says much about American evangelical leadership.

THE WALKING-DEAD REPUBLICAN PARTY

Americans don't remember that the Republican Party was formed as the political arm of American evangelicalism. Its first president (Lincoln) was the most Bible-believing, Christ-like president in history. The original Republican Party (1860-1865) defeated the Democrat Rebellion (Civil War) and almost destroyed the Democrat Party. It took a half-century for the Donkey Party to revive. Today the Lincoln Party is an anesthetized-walking-dead collection of apathetic spectators watching the Catholic Democrat President strangle Christ's Nation. Republicans are a sleepwalking enabler of America's collapse.

AT LEAST A THIRD OF AMERICANS ARE TRAPPED IN SOUL BONDAGE. THEY ARE SANDWICHED BETWEEN THE DELUSIONS OF THE MIND- MOLESTING-MEDIA AND THE DELUSIONS OF ADDICTIONS

On the Far-Right side of America, the Bible beliefs that birthed and sustained America for most of its history have now vanished. And on the Far-Left Side, the Media-Education Complex's mind control power along with the various addictions that have imprisoned the souls of at least a third of Americans have created a generation that is blind, deaf and dumb. They have turned half of America into a ship of fools floating on a fast-moving river of lies. This is the fulfillment of prophecy. Paul the apostle predicted that the sign of the last days would be (1) a rebellion against God ("apostasy"), (2) a massive rejection of truth, (3) the obstinate clinging to lies and, finally, (4) "a great delusion." (2 Thessalonians 2:11-12).

The Mass Media has for a century snagged half of America in their net of lies and delusion, telling them the most ridiculous – insane even – lies. And on the other hand, up to 100 million Americans are caught in the snare of addiction to everything from drugs and alcohol to pornography and TV. America is so far gone spiritually, mentally, and politically that it looks beyond repair. As one important measure of America's sickness, a critical mass of young people – those with the most to live for – are so trapped in addiction they are dying of overdoses or committing suicide like never before. At the same time, families have collapsed. Half of marriages fall apart.

Addiction, crime and violence, divorce, political corruption and spiritual blindness are overwhelming Christ's Nation. America is approaching the same irredeemable state that Noah's generation was in when God wiped it out in the Great Flood.

THE 2024 CONDITION OF AMERICA – BLIND, DEAF, AND DUMB

An ancient biblical *Deja-Vu* has appeared in 21st century America. Just like in Isaiah's day and Jesus' day, the United States has become disabled – blind, deaf, and dumb. In both cases when God was about to evict the Jews from their nation – Isaiah the prophet and Jesus, looking back and quoting Isaiah, said the spiritual state of the Jews was blind, deaf, and dumb. America is now in that very state. If the Bible is a true big-picture guide, then this may forecast the end of America.

Just before the Babylonian invasion and eviction of the Jews from Israel, Isaiah the great prophet said that his fellow Jews were blind deaf, and dumb (Isaiah 6:9-10). A few centuries before the Roman eviction of the Jews in AD 70, Jesus pointed back to Isaiah's analysis and said history is repeating itself. The Jews in Jesus day were once again, blind, deaf, and dumb (Matthew 13:14-15). And then 30 years later, Paul the apostle said the same thing, quoting Isaiah as the Jews rejected his Jesus message (Acts 28:25-27).

SO – WHAT IS AMERICA'S ONLY HOPE? WILL THERE BE A RAPTURE-RESCUE?

America has never been so overwhelmed with enemies seeking its destruction. Three of the biggest are (1) Marxism, (2) Islam and (3) the anti-Protestant Catholic Church. Together they represent nearly half of the world population. In addition, America's oldest political party (the Democrats) has imported a Millions-Men Trojan Horse that is hiding in the shadows of America awaiting the war call. This situation is the product of America's abandonment of its supernatural Creator, the God of the Bible and His Son, Jesus the Messiah.

The big question is – does the man that is 20-some months from his 80th birthday (Donald Trump) have the ability and stamina to defeat the geopolitical Goliath that is sword-rattling at America? Is he even able to win the presidency nine months from now? Clearly only God has the supernatural ability to defeat the Satanic forces assembled to crush America. For God, this is a piece of cake. But he is waiting for America's Christian leaders to recognize the problem, stand up and confess to God the sins of America and evangelicalism – and organize concerts of prayer.

A BRIEF CASE FOR BELIEVING THERE WILL BE A RAPTURE

1 – History’s greatest figure – the man on whom the world counts time (Jesus) – originated the Rapture doctrine. And then he demonstrated the truth of his doctrine by *being Raptured* – elevated into the clouds (Acts 1:6-11) in precisely the way many evangelicals believe will happen to Christ’s people – living and dead. Rapture-Deniers call this a ridiculous fantasy.

2 – Jesus called Paul into ministry and taught him details about the Rapture. Around 30 years after Jesus was Raptured, Paul gave a timeline and signs of the Rapture in his Thessalonian letters, the earliest writing in the New Testament. Rapture-Scoffers say there is no sign of the Rapture in the Bible.

3 – Rapture rescues are a biblical doctrine that began in the early chapters of the first book in the Bible (Genesis). God snatched (took) Enoch out of the world and, then, Noah and his family were Raptured up while Noah’s irredeemably wicked generation was left behind. The coming Rapture will signal the final judgement and the start of the 7-year Tribulation period. Rapture-Skeptics contemptuously ridicule the idea of a Rapture-Rescue as a false teaching.

4 – The Jewish Passover Table has a glass of wine for a man who was Raptured – Elijah. Elijah is the prophesied forerunner of the Jewish Messiah. And so, this feature of the Passover Table holds the hope of the Jews of the rescue by their Messiah. This Jewish hope symbolizes the expected arrival of a man who was Raptured. Sadly, along with the army of “Christian” skeptics, many Jews laugh at the idea of a Rapture.

5 – Paul advises Christians to “comfort” each other with Jesus’ Rapture doctrine (1 Thessalonians 4:14-18). Ignoring the Biblical evidence, Rapture-Deniers maintain that there are no Raptures in the Bible and it was not a Church teaching until the early 19th century when British evangelist John Nelson Darby pioneered the Rapture idea. The truth is, it was Jesus who originated the Rapture doctrine – and then demonstrated the truth of it by being Raptured out.

6 – Catholic priests and most Protestant pastors deny Jesus’ Rapture teaching as a false-teaching fantasy. Many of them don’t deny the Tribulation will occur, but they teach that Christians will go into the Tribulation. Yet on the other hand, Paul says authentic Christ-believers will be rescued in the Rapture, calling it “the blessed hope.” Maybe it’s time to remember that Christianity is based on 2 supernatural events – Jesus’ Resurrection – and his Rapture.

7 – Paul doesn’t use the Latin word, “Rapture.” He characterizes the Rapture as Christ’s “gathering” of his people up into heaven like a farmer gathering his wheat crop at the end of the growing season. Christ’s collecting his people, living and dead will come at the end of His Church Age. If, as America’s founders believed, America is the last phase of Christ’s Church Age, then it may be that the end of America and the Rapture-Exodus of Christ’s people will be a simultaneous event.

8 – John the apostle, the author/stenographer of the book of *Revelation* says he was Raptured out of this world into heaven (Revelation 4:1). Christ called him up to witness and document the 7-year Tribulation period from the perspective of heaven

9 – Rapture-Scoffers look like the modern version of the false teachers in Paul's day. Paul wrote that the false teachers told the Thessalonians that the Rapture had already happened and they were left behind. Today's false teachers say there is no Rapture. They're both wrong.

10 – Are Rapture-Deniers really calling Jesus, Paul and the Bible, liars? The fact is – the Rapture-Scoffer arguments are inferior to the Bible evidence for the Rapture.

The Rapture is a *bona fide* Bible-Jesus' teaching and while we don't know exactly when it will come, Paul does give some signs of what it will look like just before it happens. In his Thessalonian letters, Paul says these signs will appear just prior to the Rapture – apostasy, people clinging to lies and rejecting the truth. They will believe a great delusion. Aren't these signs here right now?

ONLY TRUE CHRISTIANS ARE ELIGIBLE FOR RESCUE – SALVATION FROM THE TRIBULATION

Only God can rescue Americans now, but only those who are eligible for His Salvation will escape the Tribulation. Only those who have truly elected God's Son as their King and Savior will be Rapture-Rescued. They will not be saved by their righteousness, but by the righteousness of Jesus, their spiritual King. Only their authentic choice of Jesus gives them the imputed righteousness God requires for salvation. Only true Christians will be gathered out of America before the Anti-Christ appears and the Tribulation begins. Only the God-trusting Noah and his family were Rapture-Elevated above the flood-Tribulation in the First Judgement of the world. And only those made righteous by their election of Jesus will be Raptured up – just like Jesus was.

GOD'S FIRST JUDGMENT AND "RAPTURE" AND THE COMING FINAL JUDGMENT AND RAPTURE

The August 2023 *Last Days Beacon* documents the Rapture as an authentic Bible doctrine – ***“THE GOOD NEWS – SIGNS OF THE RAPTURE ARE EVERYWHERE: WHO ARE THE FALSE TEACHERS – RAPTURE-DENIERS OR RAPTURE TEACHERS?”***
