## DEMOCRATS CALL WAR ON AMERICA, EVANGELICALS AND JESUS

..... ON THE 160<sup>TH</sup> ANNIVERSARY OF THE CIVIL WAR

(c) Paul-Warren Dinger, founding editor, The Boston Review of the arts

### THE SYMBOLISM OF AMERICA'S NATIONAL INSIGNIA

Next year, the United States of America will turn 250 years old – a quarter-of-a-millennium. But the question today, as we approach the 249<sup>th</sup> birthday of the United States, is – will America be around in 2025? Well-hidden from Americans is this major fact of American history – the Revolution congress authorized the United States as “Christ’s Nation” – and Jesus as America’s spiritual king. Months before the 2022 mid-term elections, President Biden’s attorney general, Merrick Garland declared war on (1) the United States as the Revolution Congress established it, (2) on evangelicals and (3) and on Jesus, the man on whom the world counts time. Calling evangelicals “White Supremacists,” he charged them as America’s “biggest national security threat” – bizarrely, at the same time Biden was importing a million-man Trojan Horse of “illegals” into the country.

“A NATION THAT FORGETS ITS PAST HAS NO FUTURE.” – Winston Churchill

GOD ON THE DOLLAR – “In God We Trust” is an inch from the symbol of Jesus on the American dollar bill. The Striped shield symbolizes America’s trust in Jesus as America’s spiritual power and protector. America’s national creed, “In God We Trust” is rooted historically in the conclusion of the Declaration of Independence. America’s motto was drawn from the central verse of the Bible – Psalm 118:8 that advises people to trust God – not political leaders. The spy-eye-and-pyramid to the left has never been used as America’s national sign. It is *the backside* of the Great Seal. And oddly, its symbolic message contradicts America’s “Christ’s Nation” Great Seal.

**SIX YEARS AGO – DURING THE SECOND YEAR OF THE TRUMP PRESIDENCY – LAST DAYS BEACON PREDICTED WHAT IS HAPPENING RIGHT NOW.**

The July 2018 *Last Days Beacon* was titled, “*WHO WILL SAVE AMERICA FROM THE DEMOCRATS? HOW LONG WILL IT BE BEFORE AMERICA IS SWALLOWED INTO A WORLD GOVERNMENT AND BECOME ‘PEASANTS OF THE WORLD’?*” It chronicled how America’s oldest political party has always been at war with America as the Revolution congress founded it on June 1782.

On his 1800 presidential victory, Democrat-slavery-party founder, Thomas Jefferson defined his election as a “revolution” – i.e., against the American Revolution congress’ definition of the

United States as “Christ’s Nation,” the last phase of Christ’s Church Age.<sup>1</sup> Jefferson, a major supporter of the atheist French Revolution vowed to bring its dark wicked principles into the United States.

In 1861, six decades after Jefferson’s inauguration, the Democrat-Confederate cabal declared war against the United States. In 2021, on the 160<sup>th</sup> anniversary (1861-2021) of the Democrat insurrection, the Biden administration opened America’s southern border to millions of foreigners, many of them rabid enemies of the US. This was an act of treason. While the Democrats lost the Civil War in 1865, the Biden Stealth Civil War has brought the United States to its knees.

### **THE “CHRISTIAN-NATIONALISM-THREAT” IS AN I.Q. TEST, A NONSENSE PARADE THAT PUTS AMERICA’S INTELLIGENCE – AND SANITY – ON TRIAL**

Reasonable people around the world are wondering how stupid Americans have become, and not just by watching and listening to a senile president strangle America. The case of the “Christian Nationalism threat” being waged in the Democrat Media is a ridiculous nonsense parade that exposes the pathetic state of the American mind today. Half of America’s voters are bewitched under the lying spell of the Media. The truth is – for centuries, historians have defined countries according to religion. They called the West, “Christendom,” the Mid-East, “Muslim,” and India “Hindu.” For centuries, the world regarded America as the most authentically Christian nation of the modern world. After all, most Americans, even today, identify as Christian and most American holidays are Christian – in particular, that month- long Christmas holiday that ends every year.

### **FOR CENTURIES, HISTORY AND THE WORLD HAVE DEFINED AMERICA AS THE TOP CHRISTIAN NATION IN THE MODERN WORLD**

The Democrat war against those who think America is a “Christian Nation” is, behind the curtain, a war against the Revolution Congress’ 1782 founding the United States as “Christ’s Nation” in preparation for the Great Seal’s display at the 1783 Paris Peace Treaty meeting. The Continental Congress established the United States – in symbolic picture language that European and Roman Church leaders understood when it was presented in Catholic Paris.

What has been hidden under a century-long blizzard of lies is – that Puritan Massachusetts, where the Revolution began – helped shape the U.S. founders’ theological-political mind. Their thinking, that the new nation would be the final stage of the Church Age, is revealed in the designs of America’s only two legal symbols – the flag and Great Seal. The Great Seal signified that the USA is the final stage of the Church Age and the vestibule to Christ’s Millennium.

---

<sup>1</sup> “Empire of Liberty: A History of the Early Republic, 1789 – 1815,” Chapter 8, “The Jeffersonian Revolution of 1800,” Gordon S. Wood, 2009

The Media-Education Complex's false teaching that America's Revolution was "an Enlightenment project" and that the founders were atheists who wanted to ban Christianity from the public square is a classic example of Hitler's "Big Lie" strategy. Tell a big lie so often that the public mind is bullied into believing it. So – let's look at the context of the Revolution that has been hidden from Americans.

## **AMERICA'S REVOLUTION BEGAN IN THE MOST BIBLE-PROPHECY-FOCUSED COLONY**

(1) Massachusetts Puritan Bible-Believers started America's Revolution – not the Tory South. (2) It began in the most Bible-and-Bible-prophecy-shaped colony, Puritan Massachusetts. (3) It erupted with a Lexington pastor and his churchmen – not Patrick Henry declaring, "Give me liberty or give me death!" (Did his slaves find that amusing?) (4) And it happened in the third century of the Reformation when Bibles were finally available and more people were actually reading the Bible and Bible prophecy than ever before. (5) Historians used to say the First Great Awakening, which maintained for decades that America is forecast in Bible prophecy, laid the Revolution's spiritual foundation and inspired the courage to fight against the best trained army of the century.

Were it not for these Protestant Bible beliefs, there would not have been a Revolution. Had Catholics settled Massachusetts, they would not have rebelled against their sacred Pope, Christ's earthly stand-in. By contrast, colonial Protestant-prophecy-believers declared war on King George III because they regarded him to be an anti-Christ "Tyrant" who violated his Church of England commission to rule as Christ's representative.

## **THE DEMOCRAT WAR AGAINST BIBLE-BELIEVERS HAS BEEN WAGED IN THE MEDIA FOR 100 YEARS**

The Garland-Democrat-Media attack on evangelicals and half of the US electorate is the climax of the century-old Media Culture War that was jump-started by the 1925 ACLU Scopes Trial. The ACLU and the Media viciously slandered Bible-believing Christians as America's biggest morons and never stopped beating evangelicals with contemptuous insults and ridicule every day for 99 years. The 1925 Media Culture War will celebrate its 100<sup>th</sup> birthday in 2025 perhaps by declaring victory.

It seems like the anti-Bible Democrat warriors have won the Culture War against Bible-believing Americans, not because their lies are stronger than God's truth. Two major reasons for this are – (1) because evangelical leaders have erroneously and publicly declared America is not forecast in the Bible. And (2), they have obsequiously submitted to the separation-of-church-and-state misinterpretation of the First Amendment. It says nothing about a separation of church and state, and, in fact, guarantees "the free expression" of Christian beliefs. This is a giant historical *deja-vu*. As it was in Jesus' and Isaiah's day – when together they declared the Jewish leaders blind, deaf and dumb – so it is today with America's apostate leaders.

## **WHILE DEMOCRATS WERE CHARGING REPUBLICANS WITH TREASON, THEY WERE BRAZENLY IMPORTING A TROJAN HORSE OF WARRIORS TO CONQUER AMERICA**

Garland, America's top lawman, bizarrely called "White Supremacists" – Democrat code for evangelicals – America's "biggest national security threat" – i.e., traitors. His indictment was so ridiculous the question arises – was he giving Americans an I.Q. test? Garland was deviously targeting evangelicals as America's number one threat at the same time Biden was importing a Trojan Horse of millions of malevolent invaders who despise Americans. The standard mob of Democrat-Slander-Warriors immediately joined Garland's war declaration presenting Bible-believing Americans as a clear and present danger.

Within days, Time magazine, CNN's "Reality Check" and "Meet the Press" – to name only a few – did a thuggish hit piece on "the threat of Christian Nationalism." Proving that ignorance of history is not limited to Biden voters, a number of evangelical leaders, like Christian talk show host Eric Metaxis, Amanda Tyler, head of the "Baptists Against Christian Nationalism," and conservatives like Tucker Carlson and Glenn Beck – to name only a few – have joined the denounce-Christian-Nationalist bandwagon.

## **THE PURITANS SET THE STAGE FOR "CHRIST'S NATION" – USING CHRIST'S WORDS – AS IF CHRIST PROPHESED AMERICA**

To put the "Christ's Nation" title in its larger context, let's go back to the 1630 Puritan landing in what is now Massachusetts. Puritan leader, John Winthrop gave a speech aboard the "Arabella" ship just before it reached shore. In it, he used Christ's words for his perfect church – "a city on a hill" – as the Puritan vision for the new land.<sup>2</sup> That image stuck in the New England mind as America's identity for 140 years when the Revolution erupted in Puritan Massachusetts. To support their anointing the new country as "Christ's Nation," the Revolution congress financed 20,000 Bibles just as they were authorizing the Star-of-David symbol of Jesus on the Great Seal. Clearly, they were not Enlightenment atheists, as we've been told.

In the original Greek text of the Beatitudes, the word for "city" is "*polis*," the Greek word for "city states." Athens circa 400 B.C. is the great example of a "city state." This implies that Jesus was envisioning his perfect church as a political state – not a universal empire like the Roman Church that is presided over by a royal-costumed-emperor-pope as a Jesus-authorized divine right king. Catholic means "universal," something that shows that the Roman Church adopted its Roman Empire parent's vision of a One-World-Empire.

---

<sup>2</sup> "You are the light of the world. A city on a hill cannot be hidden." – Matthew 5:14-16

By contrast, “Christ’s Nation” is a political state, a divinely “chosen nation” as President Lincoln and Nathaniel Hawthorne, among others, called the United States. Is it mere coincidence or a revelation of the inner Roman character that Rome executed Christ as a traitor and then tried to crush his Church in its cradle before finally adopting Christianity as its state religion? This is only one of the many notable differences between “Christ’s Nation” and the Roman Empire Church claiming to be “Christ’s True Church.”

## **IN THE 20<sup>TH</sup> CENTURY, JESUS’ WORDS, “A CITY ON A HILL” BECAME AMERICA’S NICKNAME**

The Puritan, “city on a hill” title for America had a nearly 400-year life span. In the latter part of the 20<sup>th</sup> century, two of America’s most famous presidents – political party opposites – John F. Kennedy and Ronald Reagan both used Winthrop’s “city on a hill” in speeches as a nickname for the United States. This was a blunt political refutation of the 1947 Supreme Court separation-of-church-and-state edict that banned Christian expression from the public square.

For much of the 20<sup>th</sup> century, many Americans, especially in speeches and articles used Christ’s words, “a city on a hill” as America’s nickname – as if Christ had prophesied America. The Reagan presidency’s ending the Cold War and the Soviet Union at the end of the 20<sup>th</sup> century elected “Christ’s Nation” as History’s Greatest Nation/Empire/superpower. The Democrat Media has ignored this major historical fact for 30 years.

## **THE VATICAN CAN’T WAIT FOR “CHRIST’S NATION” TO DIE**

Catholic voters, a supporting wall of the Democrat Party, have always been a powerful ally of the Democrat Culture War against Protestant evangelicals. That is why the Roman Catholic Ruling Class was on the Democrat-Confederate side during the Civil War – even though many brave Catholics suffered and died on the side of the United States. To put this in the larger perspective, the Vatican has been waging war against Bible-believing Protestants as heretics for 500 years. It views Protestants as evil enemies of “Christ’s True Church” (Rome). As the gravitational center of Protestantism, America is the only major threat to the Roman “Christ’s only true church” claim.

## **THE PAPAL CHURCH IMPLIES IT OWNS THE BODY OF CHRIST**

In many ways, the Papal Church pretends to own the body of Christ. Here are only a few. Priests solemnly claim to dispense the actual physical body and blood of Christ in the Eucharist. The Vatican maintains that the Catholic Shroud of Turin has an X-ray image of Christ’s actual body from his actual burial cloth. And the Roman-emperor-Pope claims to reign as Christ’s personally-chosen-divine-right representative.

Another revelation of the hidden character of the anti-America Vatican is – that while it supported the Confederate war against “Christ’s Nation” in the 19<sup>th</sup> century – on the other hand, the Vatican propped up all the wicked European empires in the 20<sup>th</sup> century. Rome supported Germany in both World Wars and Mussolini and the fascists, and Eastern European communist nations. Hitler was raised a baptized Austrian Catholic and wrote of his respect and admiration for the Catholic Church in “Mein Kampf.” On the day he was elected, Hitler signed a treaty with the Vatican that, unlike other of his treaties, he never violated.

Let’s not forget that John Wilkes Booth, who murdered the evangelical Protestant President Lincoln, was a Catholic – as is President Biden, a Vatican-approved Catholic.

## **DEMOCRAT LABELING BIBLE-BELIEVERS AS “EVIL” ECHOES THE NAZI DEMONIZATION OF JEWS THAT LED TO THE HOLOCAUST. WILL THE NEXT HOLOCAUST VICTIMS BE EVANGELICALS AND JEWS?**

The Garland Witch-Hunt against evangelicals is a mirror image of the 1930s Nazi Witch-Hunt against Jews in Germany. Celebrity attorney Alan Dershowitz expressed the opinion of the leftist part of American Jewry during the 1990s President Clinton impeachment affair. Dershowitz called Republicans “Evil, pure evil ... the mad dogs of radicalism.” He said Republicans and evangelicals are “dangerous people who would change the direction of this country” by “getting rid of the separation of church and state.” The Garland character assassination of evangelical Christians echoes the comments of his fellow Hebrew, Dershowitz.

And here is one of the great ironies of late modern history – the Democrat, liberal Jewish, Vatican vilification of American evangelicalism is a mirror image of the Nazi demonization of German Jews that led to the Holocaust. The Democrat use of Hitler’s-Big-Lie-tactic of vilifying Christians as “evil” is magnified in another irony. Democrat leaders have contemptuously denounced Republicans and evangelicals as “Nazis” for 64 years while secretly behaving like Nazis in a lot of ways.

## **AMERICA HAS MORE ENEMIES THAN ANY EMPIRE OR NATION IN HISTORY**

History will look back on this as one of its strangest phenomena. On its 249<sup>th</sup> birthday, America will have more enemies than any other nation or empire in history. And in virtually every case, they all despise Christianity and Christ, Islam and Communism being the major enemies. Thirty years ago, political sociologist Paul Hollander, who grew up in Europe, documented the unique fact that more American residents despise their country than residents of any other country or empire in the history.<sup>3</sup> Half of America’s electorate supports the anti-America Democrat Party, unaware that America’s defeat would cost them everything they have, perhaps even their lives.

---

<sup>3</sup> “Anti-Americanism: Critiques at Home and Abroad” Paul Hollander, 1992

## **JESUS' ENEMIES ARE TRYING TO KILL "CHRIST'S NATION" JUST LIKE ROME EXECUTED HIM NEARLY 2000 YEARS AGO**

Didn't Jesus predict long ago that hatred for Christians is, in reality, aimed at him? (John 15:18-26). The proof of Jesus' prophecy is fulfilled to the brim here in 2024 by the rabid, sword-rattling Christ-haters preparing to kill "Christ's Nation." Thus, Death-to-America Islam, anti-Christ-Communist-China and all the other communist countries – along with Democrat character assassins are ready to kill the man on whom the world counts time just as surely as Rome executed Christ and Hitler tried to kill all the Jews.

Islam declared Jihad on "the Great Satan" (America) in 1801 and reaffirmed their Holy War warrant exactly 200 years later, on September 11, 2001. In the background is the One-World-Leaders cabal, the United Nations and the European Union who have been in a jealous competition with History's Great Nation for decades.

## **DEMOCRAT IDENTITY-THEFT-STRATEGY – PROJECT THEIR SINS ONTO REPUBLICAN-EVANGELICALS AND THEN CONDEMN THEM AS "EVIL"**

The Democrat Media indictment of Republican evangelicals as dangerous and violent is not just a perfect example of hypocrisy – but a devious case of *identity theft*. The Democrat mind control strategy has been to project their sins onto their opponents – and then loudly condemn them as "EVIL!" Virtually all of their charges – insurrection, "White Supremacism," violence, hate speech, danger, murder, racism, bigotry, the KKK and slavery – are Democrat sins listed in the historic record. Who has been on a 100-year hate speech parade more than the Democrat Media against evangelicals and Republicans? Not only do the Democrat Mediums practice hate speech every day, but they have called for assault and even presidential assassination.

## **THE 2008 ELECTION OF THE MOST ANTI-CHRISTIAN-ANTI-AMERICAN PRESIDENT KILLED THE 32-YEAR EVANGELICAL REVOLUTION**

For nearly a third of a century –from America's 200th birthday (the 1976 Bicentennial) to the 2008 presidential election – evangelicals, a.k.a., "the Religious Right" dominated American politics. Jimmy Carter, who pretended to be a normal southern Baptist won the 1976 presidential election. But it was President Reagan who proved Carter a phony by demonstrating what an authentic evangelical president looks like.

This 32-year evangelical revival came to a screeching halt in 2008 when *closet Democrat* John McCain was chosen as the Republican to run against the Democrat Barack Obama. How ironic that the two powerful evangelical leaders (Jerry Falwell and D. James Kennedy) who helped engineer Reagan's election and re-election, both died during Obama's campaigning. And how the son-of-a-Muslim Obama won the presidency seven years after 9/11 is an unsolved mystery. Was Obama Islam's secret "death-to-America" weapon and is Biden finishing the job?

## WILL AMERICA'S DEMISE TRIGGER THE RAPTURE?

Christ's Church Age is book-ended by Pentecost (at the beginning) and the Rapture (at the end). At Pentecost, God's Holy Spirit came down and infused Jesus-believers. And at the end, Christ will gather all his people, like a farmer gathers his wheat at the end of the growing season, and take them to heaven along with the Holy Spirit. Strangely, most Protestant pastors and Catholic priests insist that the Rapture is a false doctrine. However, as ***Last Day's Beacon*** has repeatedly pointed out The Rapture is a real Bible doctrine. (1) The Rapture is a doctrine that begins in Genesis. (2) Both Jesus and Paul taught the end-of-the-Church-Age-Rapture while they were still on earth. And (3) most importantly – Christ was himself Raptured out of earth in exactly the manner Rapture believers expect (Acts 1:9). The Rapture may be the Christian Exodus out of an incurably wicked world.

*Editor's Note: Paul Dinger is a Bostonian, a graduate of Gordon-Conwell Theological Seminary, a former pastor and an American archaeology historian. He is a descendent of an American Revolution soldier.*
